# P R E S E N T A T I O N

You are an entrepreneur and you have a major project to finance? You are in the right place. Discover through this presentation how we can support you to guarantee your success

## MESSAGE FROM THE PRESIDENT

Ladies and gentlemen

After more than 20 years of activity, KANDER FINANCE GROUPE remains a key player in the African, Asian, European, American and Middle Eastern markets.

We are proud and happy to be able to share with you this success story, which is now recognized by all.

I would like to thank each of you, customers, partners and shareholders, for all that you have brought to KANDER FINANCE GROUPE INTERNATIONAL.

Despite a constantly changing and increasingly demanding environment, our group reaffirms its commitment to do everything possible to continue to be a prosperous African group and a reference in the best practices of corporate governance.

In addition, significant financial efforts have been made by shareholders to strengthen the equity of insurance companies and bring them all into compliance with regulatory minimum capital requirements in 2023 as well as other prudential ratios.

For the years to come, our group is committed to bringing more financing and protection to African families through adapted and innovative insurance, banking and investment solutions. This is our mission.

Thank you for your confidence in KANDER FINANCE GROUPE and I hope that we can continue to move forward together to achieve our common goals.

Kagohi Ariel Anderson  
PDG , Kander Group Investment

**WELCOME TO**  
KANDER FINANCE  
GROUPE INTERNATIONALE

We are a company specializing in fundraising for private and state projects, using an extensive network of funders.

We have put in place a simplified mechanism to facilitate the financing process and allow our clients to benefit from high-level professional assistance.

# WHAT ARE WE DOING EXACTLY?

After an in-depth study of the feasibility of your project, our company sets up a fast and efficient fundraising process.

We specialize in the financing of major projects, such as the construction of collective housing, civil engineering (road construction, land development), agriculture and any project requiring substantial fundraising.

Our clients come from both the public and private sectors, whether it is a state government or a private company. We're here to help you achieve your financial goals.

# OUR MISSION

Our company's mission is to support developing countries by offering them financing solutions tailored to their needs.

We are convinced that carrying out large-scale projects in these countries is essential for their economic and social development.

# OUR VISION

We believe that each project is a potential driver of economic and social growth, and we work with our partners to ensure their success by providing the necessary financing.

We are a very serious alternative to the long and tedious process of traditional fundraising. With us it's clear, clean and precise

## OUR TEAM

Our team of financial representatives is made up of seasoned finance and investment experts located around the world.

We have acquired extensive experience in the field of financial advice, as well as an in-depth knowledge of global markets.

We work closely with funders to understand the specific needs of each client and offer them tailor-made solutions to maximize their chances of success.

.Whether you are a start-up company, a multinational or a government organization, our team of experienced financial consultants is on hand to help you achieve your goals.

We are committed to providing our clients with top quality financial advice and helping them thrive in an increasingly complex business environment.

# ALL OF OUR SERVICES

## ACCOMPANIEMENT

As soon as you make contact with our services, you will be accompanied step by step by our representatives until you obtain your financing.

## EFFICIENCY

Once the terms and conditions have been agreed between our various parties, you are guaranteed that the financing will be carried out as soon as possible.

## PROXIMITY

We are committed to being by your side, in the field. Our representatives travel all over the world

# OUR FUNDING LEVELS

**BASIC**

50-250M

**STANDARD**

250-500M

**PREMIUM**

500M-1B

The notation "M" is used to represent millions, while "B" is used to represent billions.

# WHAT TYPES OF PROJECTS ARE ELIGIBLE?

We have implemented strict eligibility criteria for project funding, including respect for fundamental human rights such as the prohibition of the exploitation of vulnerable people, especially women and children.

We also strive to ensure that the projects supported contribute to development and promote economic growth to improve the living conditions of the population.

01

Our priority is to pay special attention to projects in developing countries and in countries that face high levels of debt.

02

We do not invest in the financing of small-scale projects, but rather in large-scale projects. (Highways, airports, ports, energy sector, social housing, state infrastructure, etc.)

# SOME KEY POINTS

01

Just contact us. Once the contact has been established. As soon as your project meets the eligibility criteria, we will be able to start the procedure.

02

Then, you send us a funding request letter to which we respond. Then follows an exchange of protocol documents for use.

03

One of our representatives travels to physically meet the client and settle the details of the operation (Initial contribution, meeting with the authorities concerned, etc.). All this in order to best prepare for the arrival of funds

04

Once all the previous steps have been completed, our financial partners are able to release the funds necessary for the realization of your project.

# A GLOBAL NETWORK OF RECOGNIZED FINANCIERS

Our global network of financiers and funders is made up of professionals from diverse backgrounds working together to finance the most promising projects around the world.

We are committed to supporting sustainable initiatives that promote economic growth, improve people's living conditions and respect international human rights standards.

Thanks to our global presence, we are able to mobilize the necessary resources to support projects at every stage, from design to implementation.

With our network, we offer access to innovative financing with non-repayable loans to support change-making projects around the world.
